

Arizona Department of Weights and Measures *Vapor Recovery Alert No. 6*

April 26, 2005

The Department of Weights and Measures is issuing this *Vapor Recovery Alert* to inform the Registered Service Agency (RSA), community that the Department is requiring that when an RSR conducts a Vapor Recovery Voluntary Compliance inspection at a facility and repairs or replacements are made on the vapor recovery system or component that under A.A.C. R20-2-602 (B)(1)(c) the system or component must be tested to verify that it is operating according to the regulations. The Department is requiring that the Repair or Replacement Test Verification Report be submitted along with the Voluntary Vapor Recovery Report form upon completion. The new reporting requirements take affect as of April 29, 2005.
